IMPORTANT MEMORIES OF COLLEGE, 2024-25

A few glimpses of NAAC Inspection 1st Cycle, on 22nd 23rd october, 2024

PRESIDENT'S MESSAGE

Tamulpur College is one of the pioneer higher education institutions of newly declared Tamulpur District of Assam. It was established on 4th of August, 1984 and has now become one of the most prestigious full-fledged and high standard degree colleges of Tamulpur, having 11 departments as of 2025 (Assamese, Bodo, Economics, Education, English, History, Philosophy, Political Science, Sanskrit, Nepali and BCA). The college has received permission to start classes in 9 subjects way back in the year of 1993 without permission to hold exam in its own campus. As a result till 2014, the students had to appear degree examination in different degree colleges such as Rangia College (1984-2010), Barama College (2010-2011), Dhamdhama Anchalik College (2011-2014). The moment of joy showered on Tamulpur College fraternity when the college received permission for holding examination at college campus under Gauhati University in the year 2015. However, the permission to opt as honours in 8 subjects came quite lately. From the Academic year 2024-2025 the college authority decided to provide hostel facility for both boys (28 seats) and girls (44 seats). Moreover, New RCC administrative block, new College Canteen, a separate Library hall for greater interest of its students and college faculties are also under construction. The college has already received permanent affiliation from Bodoland University in 2022. From the year of establishment in 1984 till Dec 27, 2023 the college was running with venture status with lots of hurdle. Finally, on Dec 28, 2023 as per BTR accord 2020 on need basis, the college has been provincialised with the grace of BTR Govt. and Assam Govt. Moreover, the college also has been accredited with Grade 'B' by the UGC NAAC in October, 2024 with the support of various stakeholders. So, we the Tamulpur College family would like to thank the BTR govt. and Assam Govt. for their appreciable initiative in enabling us to achieve such heights. The authority of the college is trying its level best to build up the college as a centre of excellence of international standard. The motto of the college is to build up such a generation of young men and women who will be physically fit, intellectually alert, mentally strong, spiritually inspired and socially committed. Such a generation will be the real assets of the society and the nation. May god help us all.

I extend my heartfelt wish for the college and its stakeholders, expressing optimism for both their current success and future prospects.

FROM PRINCIPAL'S DESK

It gives me immense pleasure to welcome all knowledge seekers to Tamulpur College fraternity. This castle of wisdom, the knowledge empire of the region has been serving since 4th August, 1984 disseminating necessary knowledge processes despite all odds and being stationed in one of the most remote regions of the country and the world from a point of view of communication and access. Today we own pride that we could improve and change the educational environment of this rural and remote region since last 40 years. It is the prime reason to feel glad and celebrate our pride that we are known as sole source of higher education changing the educational sphere and intellectual spectrum of the region adding feathers of name, fame, recognition and glory on our hat. We offer 4 years degree courses in B.A. (As per NEP 2020 Syllabus structure) and B.C.A. (A Professional Course As per NEP 2020 Syllabus structure) from the Academic Session 2023-24 as per instruction of Govt. of Assam and Bodoland University. Though we were incapacitated by limited resources and infrastructure in the past, however, our genial and selfless involvement resulted exceptional outcomes awarding successful higher ends. With our steadfast and unyielding assistance and cooperation from various stakeholders, Tamulpur College could finally achieve Grade “B” with CGPA 2.29 accredited by the UGC NAAC on 31st October, 2025. We are sincerely thankful to the BTR govt. and Assam Govt. for their unwavering support in enabling us to achieve such great heights without which it would have remained just a distant dream. We are expanding the Mind, Brain, Desired life settling training programme with overwhelmed results. We never assure and promise but remain committed wholeheartedly to impart quality higher education to all the students and knowledge seekers enrolled here. We look forward to accomplish all desired constructive goals together towards making brighter future.

Wishing you all the best

(Dr. Jogen Boro)
Principal

TAMULPUR COLLEGE LIBRARY

The Tamulpur College Library initially started in 1993 in a temporary building and later shifted to the present permanent library building in the year 2018. The library is housed in a state-of-the-art building spread across 581.12 S. Meter (Ground Floor) with future plans to extend to the third floor. The library remains open from 9.00 A.M. to 5.00 P.M. on all working days. The library has grown in terms of digital facilities during the past few years. The library's mission is to provide text books, references, newspapers, periodicals and research materials. The library collection is more than 7000 physical books and 158 periodicals (Journal/Magazine). Every member can access resources for their research and reading to gain knowledge. Our library is providing reference books and GK to support the users for their job interviews. The library shares the old question papers every semester and allows access through Greenstone digital library software. The library is fully automated with the installation of Koha software for the

digital library management system. In view of the changing scenario of the education system, it is planned to improve the infrastructure of the library every year.
